

## Alert List for 2021 Entry

### Virtual Open Day

Our annual Open Day will take place across two days, Friday 4th December from 1pm to 6pm and then again on Saturday December 5th from 10am until 4pm. This year we are hosting the event on a virtual platform. While we would love to have our prospective students on campus with us, this is the next best opportunity for them to get all the insight they would expect to get at a regular open day.

On the day there will be:

- subjects talks,
- taster lectures,
- Live chat with our academics, professional support staff,
- and virtual tour of our lovely campuses

Anyone who registers for the event will be able to refer to all the materials on the platform for several weeks after the event.

### Digital One-to-One Sessions

We are offering digital one-to-ones to our future students. They can book an appointment with us by visiting [www.ucc.ie/cao](http://www.ucc.ie/cao)

### School Visits and Presentations

Our schools presentation for prospective students is available and ready to view on our website, in the Guidance Counsellor section.

Recruitment Team colleagues will be in touch with Guidance Counsellors to arrange live Q&As where we can answer any questions following a viewing of the presentation. Between now and Christmas, the Virtual Open Day is really the best opportunity for prospective students to ask us any questions.

### Changes to our Prospectus

We have taken the opportunity to completely rewrite the Undergraduate Prospectus for the September 2021.

Printed copies will be sent to schools when available.

In the meantime, you will be able to access our online PDF version from the Undergraduate website: <https://www.ucc.ie/prospectus/>

### Entry Requirements

Our 2020 prospectus for Speech & Language Therapy, CK705, did not mention a third language.

Candidates do need the third language and they also need a H4 in a language other than English. This is in line with Speech & Language and similar programmes in other HEI's.

### Asylum Seekers Foldout

We have developed an information foldout brochure for asylum seekers and refugees who are wondering how and whether they can access third level education. It is mainly focused on undergraduate entry but there is information there for postgraduate entry also, as well as accessing funding, scholarships etc.

The brochure will be available online from the Undergraduate website:

<https://www.ucc.ie/en/study/undergrad/>
