

CAO ALERT LIST 2021

Second Chance Maths Exam runs post round 1 offers for applicants who have applied through CAO for a number of programmes that require certain minimum levels of performance in Mathematics.

Special Maths Exam for applicants who have applied through CAO for the Civil Engineering course: CW478.

The purpose of these exams is to provide applicants with a 'second chance' opportunity to achieve the minimum Mathematics entry requirements.

NEW COURSES

Level 8

CW048 - **Creative Computing and Digital Innovation** (full-time prospectus p140)

Level 7

CW087- **Creative Computing and Digital Innovation** (full-time prospectus p140)

Accreditation

CW438- **Bachelor of Science (Honours) Quantity Surveying**

This course was recently accredited by the Society of Chartered Surveyors Ireland (SCSI)

HIGH PERFORMANCE ENTRY SCHEME

Institute of Technology Carlow recognises achievement at the highest levels of Sport, Active Citizenship, Innovation/Entrepreneurship and Creative Arts.

Under this scheme 50 extra points are offered for students who have achieved a minimum of 250 CAO points in their Leaving Certificate or FETAC Level 5 award and who meet the minimum entry requirements of the course for which they seek entry.

16 places are offered in the categories of Sport (4), Active Citizenship (4), Innovation/Entrepreneurship(4) and Creative Arts (4).

Full details published on the Institute of Technology Carlow website:
<https://www.itcarlow.ie/study/school-leavers/high-performance-entry-scheme.htm>
