

Alert List UCD

1. Temporary Change in Entry Requirements

From:	Course:	Change:
2022	DN300 Veterinary Medicine	Practical experience requirement: Due to the difficulties applicants are experiencing in getting placements as a result of the pandemic, the requirement has been reduced to 15 hours and it will only be necessary to have experience in one animal category. However, we would strongly encourage applicants to get as much experience as possible across all categories

2. New Programme

From:	Course:	Change:
2023	DN620	A new degree - BSc Criminology with Psychology is approved for 2023 entry. More details will follow.

3. Additional Programme options

From:	Course:	Change:
2022	DN530	New pathway added: Creative and Cultural Industries
2022	DN240	There are now three options within this programme. These do not have to be selected on the CAO Forms as it is Common entry with guaranteed choice to pursue one of the following degree options (selected at the end of first year): <ul style="list-style-type: none">• Sustainability with Environmental Sciences• Sustainability with Social Sciences, Policy and Law• Sustainability with Business and Economics
