

ALERT LIST & IMPORTANT DATES

THE MAYNOOTH EDUCATION – UNDERGRADUATE CURRICULUM

We have further developed the undergraduate curriculum at Maynooth. New initiatives include more opportunities for internships as part of the Experiential Learning programme. New first year Critical Skills courses and second year Electives are also available from 2023 (see p. 12 for details or maynoothuniversity.ie/maynootheducation). Critical Skills courses are now available for science students in second year.

NEW ELECTIVES (10 CREDITS IN SECOND YEAR) INTRODUCED FOR 2023 INCLUDE:

- > The Growth and Development of the Irish Equine Industry
- > Influential Ideas in Economics
- > Foundations in Science Writing and Communication
- > Beginning French

COURSE CHANGES

- > New degrees:
 - > MH412 BSc/BBA Business with Sport Science - a three year BSc or four year BBA degree (including a work or study abroad component in third year)
 - > MH416 BA International Economics - a four year BA degree with a work or study abroad component in third year
- > New subject:
 - > MH101 Arts: new 15 credit subject in first year - Language and Culture - which is for non-beginner French, German, or Spanish students

CHANGES IN ENTRY REQUIREMENTS

The minimum requirement for the BE Bachelor of Electronic Engineering MH304 degree, for applicants under 23 years of age, changes from 300 points to 350 points for 2023 entry.

Other minimum entry requirements apply. Our Engineering Mathematics exam continues to be available for applicants who have not attained the required H4 in Mathematics.
