

ALERT LIST 2021

We listen to industry needs and we forecast trends before they happen. We predict skills deficits based on labour market intelligence and develop new qualifications from Level 6 (Higher Certificate) to Level 8 (Honours Degree).

We also listen to what school teachers tell us when they give feedback of what senior cycle secondary school students are looking for in their future. With that in mind, we are pleased to share this list of newly established courses.

Cancelled Course at IT Sligo

Fine Art Digital Portfolio Portal - Open

The Digital Portfolio and online questionnaire on the ITSligo Fine Art Portfolio Portal is available through the following link:

<https://itsligo-portfolio.awardsplatform.com/>

The Portal is open from 12th Jan to 5th July with 3 rolling deadlines for assessment

15th February

5th April

5th July

The portal will close after each deadline for portfolios to be assessed and open again shortly afterwards, finally closing on 5th July.

Applicants can upload their portfolio at any time from now until the final deadline in July to allow for late applications and change of mind on the CAO.

Applicants are encouraged to upload their portfolio/questionnaire as soon as they are ready.
