## 2021 CAO Alert List

### Music:

The entrance test for Music (TR002 and Joint Honours) has been discontinued. It is no longer a restricted course. Places will be allocated solely on the basis of CAO points.

Note: the entrance test for Music Education (TR009) will continue.

### Mature Student Application Process:

The online supplementary application form is no longer a requirement. For entry in 2022 mature applicants will only have to submit an application via the CAO. The deadline for application is 1 February 2022. Late applications are not accepted. We advise mature students to complete the mature section on the CAO application as fully as possible so that assessors have as much information about the applicant and why they are seeking admission to the programme (s) for which they are applying.
