## Maths Entry Exam 2022

WIT is delighted to confirm that the ‘second chance’ Maths Entry exam will continue again in 2022. Designed to assist students who have not achieved the required grade in maths for entry into WIT. The process provides a “second chance” for students to achieve that grade by attempting a paper comparable to the leaving certificate ordinary level paper. The content of this paper will be based on the leaving certificate (ordinary level) syllabus. Candidates who apply to sit the examination at WIT and if they achieve the designated grade specific to their chosen programme of study and meet the points for entry, they will be offered a place (subject to numbers) as a CAO Round 4 offer in September. Offers to eligible applicants will *not* be made in advance of round 4. Dates of the exam are to be confirmed but full details can be found at [wit.ie/mathsentry](http://wit.ie/mathsentry)

## WIT President’s Scholarship

While we have had great success running the President’s Scholarship over the past few years, WIT will not be running the President’s scholarship this year as all current scholarships are under review in line with TU progression. This scholarship is on the agenda to review for next year.

## WIT’s Sports Scholarship Programme

WIT’s Sports scholarship programme is an athlete led development programme aimed at supporting the overall development of high-performance athletes in a wide range of sports. Applications will be accepted from February 2022. Details and how to apply available at [wit.ie/sportsscholarships](http://wit.ie/sportsscholarships).

## Admissions Policies

All Admission Policies can be viewed at <http://www.wit.ie/admissionspolicies> . Our Admissions policies for 2022 entry are currently being reviewed.

## Guides/Tools

Some very helpful tool have been introduced for teachers, parents and students on our website. All are available in PDF format on our website and can be downloaded online at [www.wit.ie/guides](http://www.wit.ie/guides)

- Research your options –teachers guide,
- College Choices –parents’ guide
- Subject choices – leaving cert subject guide
