

## **Waterford Institute of Technology**

### **Alert List for Guidance Counsellors and Applicants for WIT for 2020 Admission**

#### **WD148 BA (Hons) Tourism Marketing - No Intake in September 2020 For This Programme**

Due to limited demand, this programme will not be recruiting in September 2020. You are advised, therefore, to remove this choice from your CAO application as no offers will be made on this programme (you can do this now if you are a May 1<sup>st</sup> applicant, or, during the period set aside for change of mind ).

Your attention is drawn to other offerings by WIT that are similar to the above and that you may wish to consider as substitute choices. In particular, I wish to draw your attention to our Hospitality ([WD091](#)), Marketing ([WD193](#)) and Business ([WD048](#)) degrees, where similar subject choices and opportunities are available.

#### **Change to Entry Criteria 2020 Intake for WD144 Bachelor of Architecture (Honours)**

Reduction in Maths Requirement O3 to O6

Minimum entry requirements for the Bachelor of Architecture (Honours)

2 subjects: H5

4 subjects: O6/H7

English or Irish: O6/H7

Mathematics: O6/H7

#### **Reserved Places on WD212 Bachelor of Business (Honours) in Recreation and Sport Management**

We are delighted to announce that we now have a number of places on our Level 8 programme reserved for people who attain a high standard in their chosen leisure or sporting activity and who also meet the leaving certificate eligibility criteria for the programme. Click [here](#) for further information.

**Change in the Maths Entry Requirements for 2020 Intake: 06/H7 to 05/H7 for Courses WD151, WD153 & WD155 (issued July 2018):**

<b>WD Code</b>	<b>Programme Title</b>	<b>Level</b>	<b>Entry Requirements</b>
WD151	BSc in Software Systems Development	7	Leaving Certificate – 5 subjects: O6 or better. English/Irish: O6/H7; Mathematics: O5/H7
WD153	BSc in Multimedia Applications Development	7	Leaving Certificate – 5 subjects: O6 or better. English/Irish: O6/H7; Mathematics: O5/H7
WD155	BSc in Information Technology	7	Leaving Certificate – 5 subjects: O6 or better. English/Irish: O6/H7; Mathematics: O5/H7

### **Maths Entry Exam 2020**

Designed to assist students who have not achieved the required grade in maths for entry into Waterford Institute of Technology. The process provides a second chance for students to achieve that grade by attempting a paper comparable to the leaving certificate ordinary level paper. The content of this paper will be based on the leaving certificate (ordinary level) syllabus. Candidates who apply to sit the examination at WIT and if they achieve the designated grade specific to their chosen programme of study, they will be offered a place (subject to numbers) as a CAO Round 4 offer. Click [here](#) for further details including information on when the exam will be scheduled.

### **English Language Requirements**

Please note that this policy is currently under review.

### **Admissions Policies**

Our policies can be viewed at <http://www.wit.ie/admissionspolicies> It is important that you familiarise yourself with these policies.

A very helpful tool has been introduced for parents titled ‘College Choices – The Parents Manual’ – both are available in PDF format on [www.wit.ie](http://www.wit.ie) and can be ordered online at [www.wit.ie/teachers](http://www.wit.ie/teachers).
