Maths Entry Exam

Date: Friday, 25th August, 2017

Entry Requirements 2018

WD163 Bachelor of Science (H) Psychology

Revised Entry Requirement for Maths O4/H7

Rationale: Due to the demand for Maths ability in Statistics modules

WD177 Bachelor of Science (General Entry) Level 7

Progression from this entry route onto year 2 of the WD191 Bachelor of Science (Honours) in Agricultural Science is restricted to students who obtain a 60% average in their year 1 modules. In practice, about one-third of those who want to progress to Agricultural Science will attain this mark. Students should think carefully about choosing this option if they are not going to be satisfied with the other progression routes.
