- A = Points awarded according to results in the best 8 modules. Must be **full award** (relevant modules and/or a specific overall level of achievement may be required). (See prospectus for full details.)
 B = Not accepted.
 C = Points awarded according to scale: Distinction: 70, Merit: 50, Pass: 30.
 * = Accepted as equivalent to a pass in a traditional Leaving Certificate subject for general minimum entry requirements purposes.
 D = Accepted for general minimum entry requirements but no points awarded and not accepted as meeting specific course requirement for Maths.
 E = Accepted for general minimum entry requirements but no points awarded and not accepted as meeting specific course requirement for Irish.
 F = Accepted only for certain courses specified in the prospectus.
 G = Quota of places reserved. Points awarded according to results in the best 8 modules. Must be **full award** (relevant modules and/or a specific overall level of achievement may be required). (See prospectus for full details.)
 H = With the exception of Nursing Degrees, a B3 meets the minimum language requirement but no points awarded.
 K = Minimum B3 meets the language requirement but no points awarded.
 M = Meets the language requirement of a pass in either Irish or English but no points will be awarded.
 N = Accepted for BA only for general minimum entry requirements but no points awarded and not accepted as meeting specific course requirement for Maths.
 O = Bonus points may be awarded for relevant PLC.
 R = Not accepted for courses which have Maths as an entry requirement. No points awarded.
 U = Considered on an individual case basis.
 W = Foundation Maths at grades A1, A2, B1 & B2 will count as a passing subject. Points will be awarded for these grades as follows: A1 = 20, A2 = 15, B1 = 10, B2 = 5
 For certain courses Foundation Maths at the grades above will meet the minimum entry requirement for a pass in Maths. (See prospectus for full details.)

Note: Foundation Level Maths is NOT acceptable for entry to ANY course in Nursing.

- X = Certain awards accepted for consideration for entry to certain courses (see prospectus for further details).
 Y = With the exception of Nursing Degrees, points awarded according to results in the best 8 modules. Must be **full award** (relevant modules and/or a specific overall level of achievement may be required). The existing Links Scheme applies to Nursing Degrees. (See Prospectus for full details.)
 Z = An approved certificate with distinctions in 5 modules will meet matriculation requirements.
