CAO Press Release

Round A CAO offers available online today from 4pm

CAO Round A offers will be made available online at www.cao.ie from 4pm today, July 3.

Successful applicants will also receive an email and text message from CAO, and a paper offer notice will be posted this evening to reach applicants early next week.

Round A offers mainly concern mature applicants and deferred applicants, but offers are also issued to some graduate entry pathways, to applicants who have completed an Access course, or those who may be required to make visa arrangements.

The 'Reply Date' by which Round A offers must be accepted is Thursday July 9 at 5:15pm.

Speaking about the offer process, general manager of CAO Joe O'Grady commented;

"We urge all mature, deferred and other non-standard applicants to login to their CAO accounts after 4pm this evening to check to see if they have received a Round A offer.

"Successful applicants will also receive an email to the email account that they used when registering on the CAO system.

"Offers must be accepted by 5:15pm on Thursday next, July 9th – failure to accept an offer by the reply date will result in the offer being cancelled" he added.

A further offer round (Round zero) will take place on July 30 for additional mature applicants, deferred and Access applicants, graduate entry medicine applicants, and applicants presenting QQI FET/FETAC qualifications for entry to courses with a quota for FETAC applicants.

For all other applicants, Round One offers will be issued on Monday August 17. Round One offers will be available to view online from 6am, and applicants will also receive offer notification by email and text message if they have selected this option, as well as by post. The reply date for Round One offers is August 24 at 5:15pm.

Round Two offers will be available to view online from August 27 at 6am.
