New Programme – CK010 BSc (Hons) Sustainability

Launching in 2026, this interdisciplinary degree will give students a broad understanding of today's sustainability challenges across environmental, social, and economic areas.

There will be 65 places in total on this programme, including 6 places for mature entrants and 5 places for FET entrants.

Leaving Certificate Entry Requirements

At least six subjects must be presented. Minimum grade H5 in two subjects and minimum grade O6/H7 in four other subjects. All applicants will need to meet the following entry requirements:

- English: O6/H7
- Irish: O6/H7
- Maths: O2/H6

QQI FET Entry Requirements

Any of the QQI FET Level 5/6 awards accepted for entry as listed on our [List of Linked QQI FET courses](#), with Distinctions (i.e. 80% or greater) in 4 modules.

For details, please see the [CK010 course page](#).

Changes to Courses

CK411 Data Science and Artificial Intelligence

This programme has undergone a name change from Data Science and Analytics. There are no changes to entry requirements.

Changes to Courses

CK124 Education Gaeilge

All applicants will need to meet the following minimum entry requirements:

- English: O6/H7
- Irish: H4
- French/German/Italian/Spanish H4 **OR**
- Other language: O6/H7 **and** Mathematics: H3

This change is required to facilitate the removal of the Beginners language options, and it will mean that whichever language students have taken at Leaving Certificate level will be the language which they continue in the programme, unless choosing Mathematical Studies.

CK125 Physical Education, Sports Studies and Arts

From 2026, a H3 in Mathematics will be required for students choosing a route involving Mathematical Studies.

Mature Student Evaluation (MSE) Removal

The Mature Student Evaluation (MSE) will be removed from entry assessment criteria for September 2026 entry. Applicants to programmes in the College of Arts, Celtic Studies, and Social Sciences will instead be assessed based on education, life and/or relevant work experience as demonstrated in the CAO Application and Statement of Interest.

Courses with additional requirements will continue to require these alongside the general assessment.

Advance Notice for 2027

CK701 Medicine

From 2027, changes will be made to the weighting of the Leaving Certificate (or equivalent) and HPAT exams for CAO points.

- Leaving Certificate scores above 550 points will no longer be moderated – full points scored by candidates will be applied in the calculation.
- Points scored in the HPAT assessment will be weighted to 150 maximum (down from 300 currently). HPAT results from a sitting in the year of admission to a medicine programme will continue to be a requirement.

The changes will not be applied until 2027, to facilitate secondary school student decision making at the commencement of their senior cycle school programmes in autumn 2025. For further information, please see [Entry to Medicine | Irish Universities Association](#)
