University College Cork, Ireland

Changes to Courses

CK701 Medicine
From 2027, changes will be made to the weighting of the Leaving Certificate (or equivalent) and HPAT exams for CAO points.

- Leaving Certificate scores above 550 points will no longer be moderated – full points scored by candidates will be applied in the calculation.
- Points scored in the HPAT assessment will be weighted to 150 maximum (down from 300 currently). HPAT results from a sitting in the year of admission to a medicine programme will continue to be a requirement.

For further information, please see Entry to Medicine | Irish Universities Association
