Important Application Information for 2024

Submission of EU Qualification Results (Outside UK & Ireland). DCU applicants presenting school examination results from within the EU, but from outside the UK/Ireland, must submit originals and english translation of all documentation to the CAO. For applicants with results from previous years, this information must be uploaded to CAO within 10-14 days of submitting their CAO application. For those taking exams in this current year, these results must be submitted to CAO no later than 2nd August for Round 1. This is to allow adequate time for assessment and processing. Any results received after 2nd August may be considered for later rounds, provided places remain on programmes.
