CAO 2026

Removal of programmes from CAO

In May, Carlow College, St. Patrick's made an official announcement that all its academic programmes will be completed over the next two years. This decision has been taken following a lengthy engagement process with the Department of Further and Higher Education, Research, Innovation and Science (DFHERIS) regarding the future of Carlow College.

Therefore, all undergraduate courses for 2026 have been withdrawn from the CAO and no new intakes will be offered in the future.

Cancelled programmes are:

- PC404: BA in Applied Social Studies (Professional Social Studies)
- PC410: BA (Hons) in Arts & Humanities
- PC411: BA (Hons) in English & History
- PC414: BA (Hons) in Psychology
