### What is the Higher Education Access Route (HEAR)?

The Higher Education Access Route (HEAR) is a college and university scheme which offers places on reduced points and extra college support to school leavers, resident in the Republic of Ireland, who are under represented at Higher Education due to their socio-economic background.

HEAR has been set up by a number of colleges and universities as evidence shows that long-term poverty can have a negative effect on how well a student does at school and whether they go on to college.

HEAR applicants must meet a range of financial, social and cultural indicators to be considered for a reduced points place and extra college support.

### What are the benefits of filling in a HEAR Application?

**Reduced Points Places:** Each participating college has a reserved number of places to offer eligible HEAR students at lower Leaving Certificate points.

**Extra College Support:** If you get a place through HEAR you will receive a variety of academic, personal and social supports while at college.

Examples of extra college supports may include:

- An Orientation Programme to introduce you to college life.
- Extra tuition if required, study skills and exam preparation.
- One to one meetings with student advisors.
- Social gatherings/mentoring.
- Extra financial assistance when available/advice regarding grants and scholarships.

### What HEAR is not

HEAR is not your maintenance grant. The maintenance grant is the main source of financial assistance available from the Irish State for students in full-time Post Leaving Certificate Courses (PLCs) and full-time higher education undergraduate courses.

HEAR is an admissions scheme to help students who may not traditionally go on to third level. Students applying to HEAR are encouraged to find out more information on the maintenance grant by logging on to [susi.ie](http://susi.ie). Additional information on financial assistance for third level students is available at [www.studentfinance.ie](http://www.studentfinance.ie).

### Who can apply to HEAR?

HEAR is for school leavers under the age of 23 as of 1 January 2025 who are resident in the Republic of Ireland. HEAR applicants must meet a range of financial, social and cultural indicators to be considered for a reduced points place and extra college support.
