### **Normal closing date for CAO applications is 1 February at 5pm**

The Central Applications Office (CAO) is reminding prospective higher education applicants that the normal closing date for registering on the CAO system for 2026 entry is Sunday, **1 February at 5pm**.

Applicants who have yet to obtain a 2026 CAO application number can do so for a fee of €50 up to 1 February at 5pm.

Commenting on the closing date, the CAO's Head of Communications, Eileen Keleghan, reminded applicants of the importance of early submission:

“We encourage all applicants to register on the system in advance of the 1 February deadline. Applying early avoids unnecessary stress and ensures applicants avoid any restrictions that may apply.

“Applicants who are considering applying for the HEAR and/or DARE schemes must have applied to CAO by 1 February at 5pm. So too should mature applicants or those who are considering applying for a course that is listed as restricted in the CAO handbook”.

A late application facility is available for applicants from 5 March up to the 1 May at 5pm for a fee of €65, however restrictions apply.

Ms Keleghan went on to advise applicants to enter course choices on their application at this time:

“We also encourage registered applicants to add some course choices to their application in advance of 1 February at 5pm. Most applicants will have an opportunity to edit these choices using the Change of Mind facility from 5 May to 1 July at 5pm; however, some restrictions apply.

“Mature applicants or applicants who may wish to apply for a restricted course, should include their course choices by 1 February or by 1 March for the extra fee of €10.

The CAO website contains several guides and supports for applicants which should make the application process easy to navigate, including a ‘Demo Application Facility’, the CAO Handbook and Information Sheets, and step-by-step video guides.

Applicants for the HEAR or DARE scheme are advised to complete the online HEAR and DARE forms well in advance of 1 March at 5pm and to ensure that supporting documents are sent by post to CAO before 10 March at 5pm.

Mature applicants are reminded to complete the Mature Applicant form before 1 March at 5pm, and to upload or post supporting documents within ten days of making their application.
