

Dear Principal/Guidance Counsellor,

December 2024

2024 Applications: School Data

For some years, we have supplied to schools information about the outcome of their students' applications. For technical reasons, we can do this only for schools in the Republic of Ireland.

For school-based candidates for the 2024 Leaving Certificate, we can provide a summary page showing the number of applicants from the school who were offered and who accepted places in each HEI course.

For those who require it, we can now also provide similar data in respect of 2024 QQI FET students.

We do not provide information which would identify any individual applicant, such as name, address, examination numbers or the CAO application number.

If you wish to avail of this service, please complete the order form on the reverse of this letter and **return to CAO** by post to Aoife Carter, CAO, Tower House, Eglinton Street, Galway.

Payment of €35.00 must be made by bank transfer to the account details listed on the order form.

You MUST supply the School Roll Number as a reference or CAO will not be able to identify who has made the payment.

School Data will be issued by email once payment has been received.

We will be unable to provide the data unless it has been requested by 17th January 2025.

In providing this information, the Central Applications Office requires that schools must not use the information in such a way as to give rise to any form of "league tables".

Yours sincerely,

Joseph O'Grady

General Manager
