

*This email is sent to all those who applied to CAO by 1 February at 17:00.

We are writing to remind you that there are certain sections of the CAO application form that must be complete and correct no later than 1 March at 17:00 (for example, the mature applicant form, HEAR and/or DARE applications, course choices for mature applicants, and the inclusion of any restricted courses which may have been omitted).

If you have not already done so, please log in to your CAO account (go to www.cao.ie and click on `My Application`) and check that all the information on your account is correct and complete. You must read the 2024 CAO Handbook carefully - the Handbook is available at www.cao.ie/handbook

The `Have a Question` page also provides the answers to most of your questions - you can view it here: www.cao.ie/faq

Items for your attention before 1 March at 17:00:

1. Correction of errors or omissions in course choices (this facility will close on 1 March at 17:00)
 - If you have omitted any restricted courses, you now have an opportunity to introduce these courses.
 - If you are a mature applicant, you must ensure your course choices are correct and complete before 1 March at 17:00.

If you are not in the categories mentioned above, you do not need to correct any course errors at this stage. You may use the free Change of Mind facility when it opens in May to introduce courses, remove or change the order of course choices before 1 July at 17:00 (except the introduction of restricted application courses).

If you need to change course choices at this time, go to `My Application`, log in to your account and, in the course choices section click on `Change Course Choices` (or `Add Course Choices`) and follow the instructions. There is a 10 Euro charge for this service, and you may use this facility as many times as you like up to 1 March at 17:00. For more information, go to www.cao.ie/com

2. DARE and HEAR Applications (Supplementary entry schemes for applicants with disabilities and whose economic or social background are underrepresented in higher education)
 - If you wish to be considered for these schemes you must complete the appropriate sections of the CAO application form no later than 1 March at 17:00.
 - If you wish to apply to DARE, you must click on the Modify Disability (& DARE Application) Status button, complete the Supplementary Information Form and answer `Yes` to Question 1 by 1 March at 17:00.
 - If you wish to apply to HEAR, you must complete all relevant sections of the online HEAR Application Form by 1 March at 17:00.
 - DARE HEAR supporting documentation must arrive in CAO no later than 15 March at 17:00.
 - DARE HEAR Eligibility Carry Forward: DARE applicants who wish to carry forward their DARE eligibility from 2023 to 2024 must complete the Supplementary Information Form including Question 1(b), by 1 March at 17:00. HEAR applicants who wish to carry forward their HEAR eligibility from 2023 to 2024 must complete all relevant sections of the HEAR application form, including Section 8, by 1 March at 17:00.

See www.accesscollege.ie, the 2024 CAO Handbook and the CAO website for more details. Instructions for submitting a DARE or HEAR application may be found in the DARE HEAR Application Handbooks and at www.cao.ie/dare and www.cao.ie/hear

3. Mature applicant section

If you are a mature applicant and you have not yet completed the mature section of the application form, you can do so up to 1 March at 17:00. Log in to your account via the `My Application` facility and click on `Mature Applicant Form`. More information on the Mature Applicant Form can be found here: www.cao.ie/mature

Mature applicants to Nursing/Midwifery, Primary teaching and Graduate entry programmes are not required to complete Mature Applicant sections unless they are also applying for other courses and wish to be considered on the grounds of mature years for those courses.

Mature applicants may be interested in Uiversity Higher Education Scholarships for Adult learners - see www.uiversity.org - CAO plays no role in the processing of scholarship applications.

Other items to note:

4. Mature applicant for nursing/midwifery

The Nursing and Midwifery Board of Ireland (NMBI) set the criteria for entry to nursing and midwifery degree programmes. They require that all mature applicants to nursing and midwifery degree programmes in 2024 must be successful in an assessment test to be eligible to compete. For detailed information regarding the assessment test, see the following website:

<https://www.nmbi.ie/Careers-in-Nursing-Midwifery/How-to-apply/Mature-Applicants>

5. Grant applications

If you intend to apply for a grant (www.susi.ie) you may indicate this on your CAO online application. CAO will then provide your identification and offer/acceptance details to the grant authority (SUSI). Other than providing these details to the grant authority, CAO plays no role in the processing of grant applications. Grant applications should be made on the grant authority website www.susi.ie

6. Entry requirements and exemptions

You should ensure that you will meet the minimum entry requirements of the courses you are applying for. The Higher Education Institution websites and prospectuses have details of these. There may be some concessions, such as exemption from minimum age requirements, Irish language, and other language requirements, etc.

For more information on exemptions, please go to www.cao.ie/exemptions

EU students presenting with qualifications other than the Irish School Leaving Certificate Examination should view the agreed entry requirements criteria for EU/EFTA Applicants here: www.cao.ie/euefta and the information sheet at www.cao.ie/oslinfo

7. Correspondence from CAO

We will send a Statement of Application Record email to all applicants in May. You must follow the instructions in this email (and on the web page www.cao.ie/soar) carefully and modify your application if anything is incorrect or omitted from your CAO account. Throughout the application process, we will contact you by email and/or text. Please regularly check the Correspondence Section of your CAO Account - this section contains a history of all emails sent to the email address registered on your CAO application, and any online queries that you have submitted to CAO whilst logged in to your CAO Account.

8. Changing Course Choices

The Change of Mind facility for changing course choices opens on 7 May and closes on 1 July at 17:00. This facility is free of charge and may be used as many times as you like to add, remove or

change the order of your courses. However, some restrictions apply (e.g., mature applicants and restricted courses - see page 3 of the CAO Handbook). For more information, go to www.cao.ie/com

9. Offer and Acceptance Schedule

We will provide you with an update on the offer and acceptance schedule when we communicate with you in May.

Thank you,
CAO Information Service
